Notable features:

These houses are reasonable small dwellings which could be rehabilitated. Both round-headed and square-headed sallyports are found along these groups. There are 2 and 2½ story gable roofed houses mixed with 3 story flat roofed ones. One small one-story store on the rear of lot 79, which faces Fayette Street, is out of context. Number 803 appears to be a warehouse of late vintage. Variety includes free-standing structures such as 839 and 837.

Environmental context:

Numbers 809, 811, 821, 823, 839, 861 and 863 are vacant. Vacant lots are at 819, 843, 845, 849-855, 855½, 865 and 867. (See comment on sheet for 832-844 Vine Street.)
